CharityVision expeditions are designed to immerse you in our humanitarian work overseas while experiencing the local wonders and culture of the country.

Our goal is to provide you with an unforgettable, executive experience that will touch your heart and create a vision for your future involvement in our programs.

## MANILA

Scrub up and see life altering surgeries we perform for children in the community. Come play with our patients at the "Mabuhay Deseret" house in Manila.

## ENJOY A NEW CULTURE

Coron Island is famous for its clear waters, perfect for snorkeling and scuba. We will swim in breathtaking fresh water lake and enjoy world class beaches.

## CATCH THE VISION

Join our local CharityVision team and help do vision screenings at local elementary schools and communities, deliver glasses, and scrub up to enter the surgery room and see sight-restoring surgeries firsthand.

## MAKE A LASTING IMPRESSION

Your donation from this trip goes to a permanent screening program, which will reach 5,000 patients each year from the most remote places in the Philippines.

12 - 15 participants | 5 days, 6 nights adventure | \$5,000 per person  
All-inclusive on all in country expenses (local transportation, meals, tourism, and hotel).
